

PC Board Assembler

Crescend Technologies, an ISO9001 Certified company in Schaumburg, IL, is a manufacturer of high power amplifiers for the VHF, UHF, and 700/800/900 markets. A dynamic staff with design agility and quality products, we commit each day to manufacturing the highest quality amplifiers and developing new technology to help our customers succeed.

We are currently seeking an experienced PC Board Assembler. Experience in surface-mount and through-hole soldering, familiar with magnification-based soldering techniques, and use of hand tools. Must be able to meet schedules and work well in a team environment.

Minimum Qualifications:

- 1 year soldering experience
- High school diploma
- Electronics certification a big plus
- Local candidate with reliable transportation

Our Competitive Benefits include: Health, Dental, and Life Insurance, as well as a 401(K) program. Interested candidates please send your resume to:
