

## RF Technician

Crescend Technologies, an ISO9001 Certified company in Schaumburg, IL, is a manufacturer of high power amplifiers for the VHF, UHF, and 700/800/900 markets. A dynamic staff with design agility and quality products, we commit each day to manufacturing the highest quality amplifiers and developing new technology to help our customers succeed.

We are currently seeking an experienced RF power amplifier technician to test, tune and troubleshoot RF Amplifiers, 30 MHz – 1 GHz, from 1W up to 500 Watts. Experience with applicable HP/Agilent test equipment required. Knowledge of Labview desired. Experience with conducted and radiated emissions testing a plus. Good analytical as well as interpersonal and communications skills necessary. Must be able to meet schedules and work well in a team environment.

### Minimum Qualifications:

- 3+ years experience
- 2 year technical degree

Our Competitive Benefits include: Health, Dental, and Life Insurance, as well as a 401(K) program. Interested candidates please send your resume to:
